

Dear Editorial Team,

We, the authors of the manuscript titled "ChatGPT: A Pilot Study on a Promising Tool for Mental Health Support in Psychiatric Inpatient Care", wish to declare the following:

We have no known conflicts of interest, financial or otherwise, that could be perceived as influencing, or that give the appearance of potentially influencing, the work reported in this manuscript. We have not received any financial support for the research, authorship, or publication of this article that could have influenced its outcome.

The manuscript is an original work by all the authors, has not received prior publication, and is not under consideration for publication elsewhere.

We have read and understood the European Journal of Psychiatric Trainees' policy on declaring interests and wish to confirm that we have no conflicts of interest to declare.

We appreciate the consideration of our manuscript for publication in the European Journal of Psychiatric Trainees and look forward to your response.

Sincerely,

Antonio Melo
